Cyprus, February 2025

We are proud to announce that our Resort has recently completed the project of an extensive renovation of its rooms and common areas. The renovation procedure began in November 2024 and was successfully completed in February 2025, in time for our guests to make the most of their stay with us for the coming season.

The renovation procedure specifically included a complete overhaul of the lobby and reception, the pools, all the rooms and bathrooms, and all the common areas inside and outside of the hotel building.

Under the signature style of our Award winning designers, the rooms were fully renovated and equipped with modern furnishing, bath amenities, shower, cable-satellite tv, closet, daily maid service, direct dial telephone, hairdryer, individually- controlled air condition, mini bar, safe deposit box and a writing desk.

We are looking forward to hosting our guests at our renovated design facilities, offering unique Cypriot hospitality. Treating our guests with the best of care remains our top priority.
